## THE CASTLE ON THE HILL

The years have cast their golden haze  
O'er scenes of long ago.  
But memory's eye sees bright and clear  
The friends we used to know.

Tho' time and fate have changed the scene,  
In memory's vision still,  
Above the busy city stands  
The Castle on the Hill.

If chance and change should come again,  
While dreams endure, there will  
Behind the flickering shadows stand  
The Castle on the Hill.
